IMB is an Autodesk Add-on for Office 365 (or OneDrive) that allows you to collaborate and share models in real-time with others through the cloud. IMB. Since IMB for Autodesk Revit is available through OneDrive, you can save documents and enable sharing on the go.Episodes with Tyson Beckford For the third year in a row, GQ Magazine honors the men of the year, the 2010 GQ Men of the Year. The magazine also, without fail, employs the annual Male Celebrity Clotheshorse on the cover of every issue. This year, we saw Ron Jeremy and Kevin Federline on the cover in November, and the same month we got a very different, deeply-personal cover story, and a look inside as to what it takes to appear on GQs Men of the Year list. This year` 570a42141b
