that something is
unknown? I want to
express something like
"that is unknown,
either that or this". Is

there a common expression for it in French? A: You may say either of two things: Either... or / Toujours... ou...
Either... or / Soit... ou...
Examples: Que l'anglais soit une langue réglée de

grammaire ou un
langage verbier. [That
the English is a
regulated language of
grammar or a language
of vocabulary]. Que
